# FORT COLLINS, COLORADO

**Situated at the foothills of the Rocky Mountains, 60 miles north of Denver, Fort Collins is home to fabulous recreational opportunities, diverse cultural attractions, a vibrant nightlife scene and family fun.**

**Experience world-class whitewater rafting on the nationally-designated “Wild and Scenic” Cache La Poudre River (the best whitewater rafting near Rocky Mountain National Park). Taste award-winning beers at one of over 20 local breweries in Fort Collins, considered to be the craft beer capital of Colorado.**

**Fort Collins prides itself on the plethora of restaurants and outdoor activities, a picturesque downtown and of course, our friendly people. Fort Collins is always full of things to do!**

## Getting There

# Getting to Fort Collins

**Fort Collins is just 60-minutes from Denver International Airport.**

Shuttles run between Denver International Airport to Fort Collins every hour (running 24 hours a day) for \$29 each way. We would look to contract a group discount for our attendees.

**OR – Rent a car and explore the scenery on your way to and from the workshop.**

Fort Collins Airport is currently under construction to add more flights (est. completion fall 2024). Currently United offers 12 “wing-less flights daily to Fort Collins.

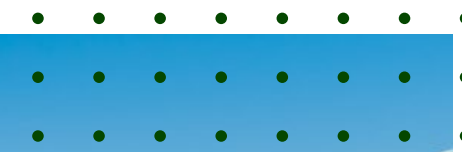

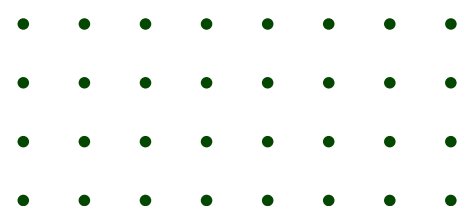

# Colorado State University

We are proposing to hold IHW 2027 on the Colorado State University campus.

The recently renovated Lory Student Center will house the entire meeting; allowing for sessions, posters and meals to be all under one roof.

CSU has 5,500 dorm rooms on campus (1,200 with AC). Local hotels, less than a 10 minute walk away from the Lory Center will be also contracted for those looking for private accommodations.
